Letters: W, S and I

Happy New Year! We hope you had a wonderful time with your family during the holidays. The children were very excited about our holiday concert. They worked very hard, and we hope you enjoyed it. We think they all did a fantastic job.

Our January focus will be on winter activities. We will learn about the winter season, design snowflakes, snow-people, and other winter crafts. We will paint with ice cubes and our cooking activity will be making vegetable soup.

We will also continue working on the alphabet, letter recognition, printing and connecting sounds. We will continue our "star of the week." Thank you for such beautiful posters. The children really enjoy it and feel very special.

SPECIAL DAYS

We will have a few special days this month to perk up the winter doldrums. To reinforce our letter W, we will have a Wacky Wednesday and make waffles. Everyone should come dressed a little "wacky" (mismatches, inside-out, crazy hair, etc.). We will also have a winter white day, when everyone should wear one white thing. See important dates for the days these take place.

SNOW DAYS

We follow the Cedar Grove School District regarding snow days. When schools are closed, we are also closed. When in doubt, call the school. I will leave a message in our mailbox. If the schools have a delayed opening, we will make every effort to be here by 9:00 a.m.
